**Accreditation as a 'Rechtsanwalt'
Aptitude Test as an Attorney at Law in Germany**

Dear Sir or Madam,

Lawyers from EU or EEA Member States, or Switzerland, may sit the aptitude test to become directly accredited as a "Rechtsanwalt" in Germany, in accordance with Section 16 of the German Law regulating the activity of European lawyers in Germany (EuRAG).

The certification course was established in 1992 with the support of the European Commission and the German Bar Association (DAV). Over 500 professionals have attended the certification course to date.

The 28th preparatory course will start on March 14th 2020 in Frankfurt.

We would be obliged if the publications of your association drew attention to our courses, specifically to interested colleagues.

We would be pleased to answer any questions you may have.

With my best regards,

Dr. Axel Grannemann
Rechtsanwalt/Attorney at Law
